LET US NOW LEARN ABOUT OTTOMAN TURKS!

1 Ottoman Empire, empire created by Turkish tribes in Anatolia (Asia Minor) that grew to be one of the most powerful states in the world during the 15th and 16th centuries.

2 The Ottoman period spanned more than 600 years and came to an end only in 1922, when it was replaced by the Turkish Republic and various successor states in south-eastern Europe and the Middle East.

3 The term Ottoman is a dynastic appellation derived from Osman I (Arabic-Uthman), the nomadic Turkmen chief who founded both the dynasty and the empire about 1300.
