CRITICAL APPRAISAL

- 1 *More emphasis on social issues like institution building, healthcare, skill development, solar energy pharmaceuticals etc.*
 - 2 *Line of Credits for water supply, MSMEs, Textiles etc., and interaction with solar mamas.*
 - 3 *Tried to strike a chord with historical, colonial, cultural similarities between Africa and India.*
 - 4 *Emphasis was made on shared vision for the future in maritime security, tackling terrorism, climate change etc.*
 - 5 *This is in contrast to the China's image of "Exploiter" in several African countries.*
- Now, the biggest challenge is to face China's economic clout in several African countries and at home, to stop attacks on African students.*
