FAILURES OF K.P. SHARMA OLI

1 Continuously blaming India for Madhesi agitation and blockade.

2 Knocked at the doors of China trying to establish strategic and economic relations.

3 His actions gave rise to a feeling that India is micro managing and involving in the internal affairs of Nepal and blamed India with an alleged plan to topple his Govt.

4 It gave rise to “Nationalistic fever” in Nepal.

5 Not able to solve the problems of Madhesis and other ethnic minorities.

6 However, K.P. Sharma Oli enjoys popular support across various cross-sections of people.

WHAT SHOULD BE THE COARSE OF ACTION FOR PRACHANDA?

1 Concerns of Madhesis must be addressed and necessary Constitutional amendments are to be made.

2 Concentrate on the Governance issues as the new Constitution came into force on 20th September, 2015.

3 Concentrate on the Reconstruction and Rehabilitation works subsequent to the April 2015 earthquake.

4 Relationship with India is of paramount importance to the Himalayan Nation as it is land locked and connected through plain terrain with India.

However, India should also take steps to remove perception that it is meddling in the internal affairs of Nepal.

Constitution came into force on 20th September, 2015.
