VISIT OF NEPAL PRIME MINISTER

... RELATIONS IN RECENT TIMES

LEARNING SPACE
...Transforming Human Lives

- 1** The new Constitution of Nepal resulted in some misunderstanding between India & Nepal
- 2** Nepal felt that Madhesis have got indirect support from India
- 3** For blocking the trade routes by Madhesis, Nepal felt that they enjoyed indirect support
- 4** Due to this, deep misunderstanding & mistrust was created
- 5** Nepal suffered badly for want of essential supplies
- 6** It gave rise to the concept of “Nepali Nationalism” in Nepal
- 7** It was also felt in some quarters, that India is interfering in the internal affairs of Nepal
- 8** Nepal knocked at the doors of China with regard to the transit routes
