BOUNDARIES

- **INTERNATIONAL BOUNDARY**
- **STATE BOUNDARY**

ASSAM

NAGALAND

MEGHALAYA

MANIPUR

Imphal

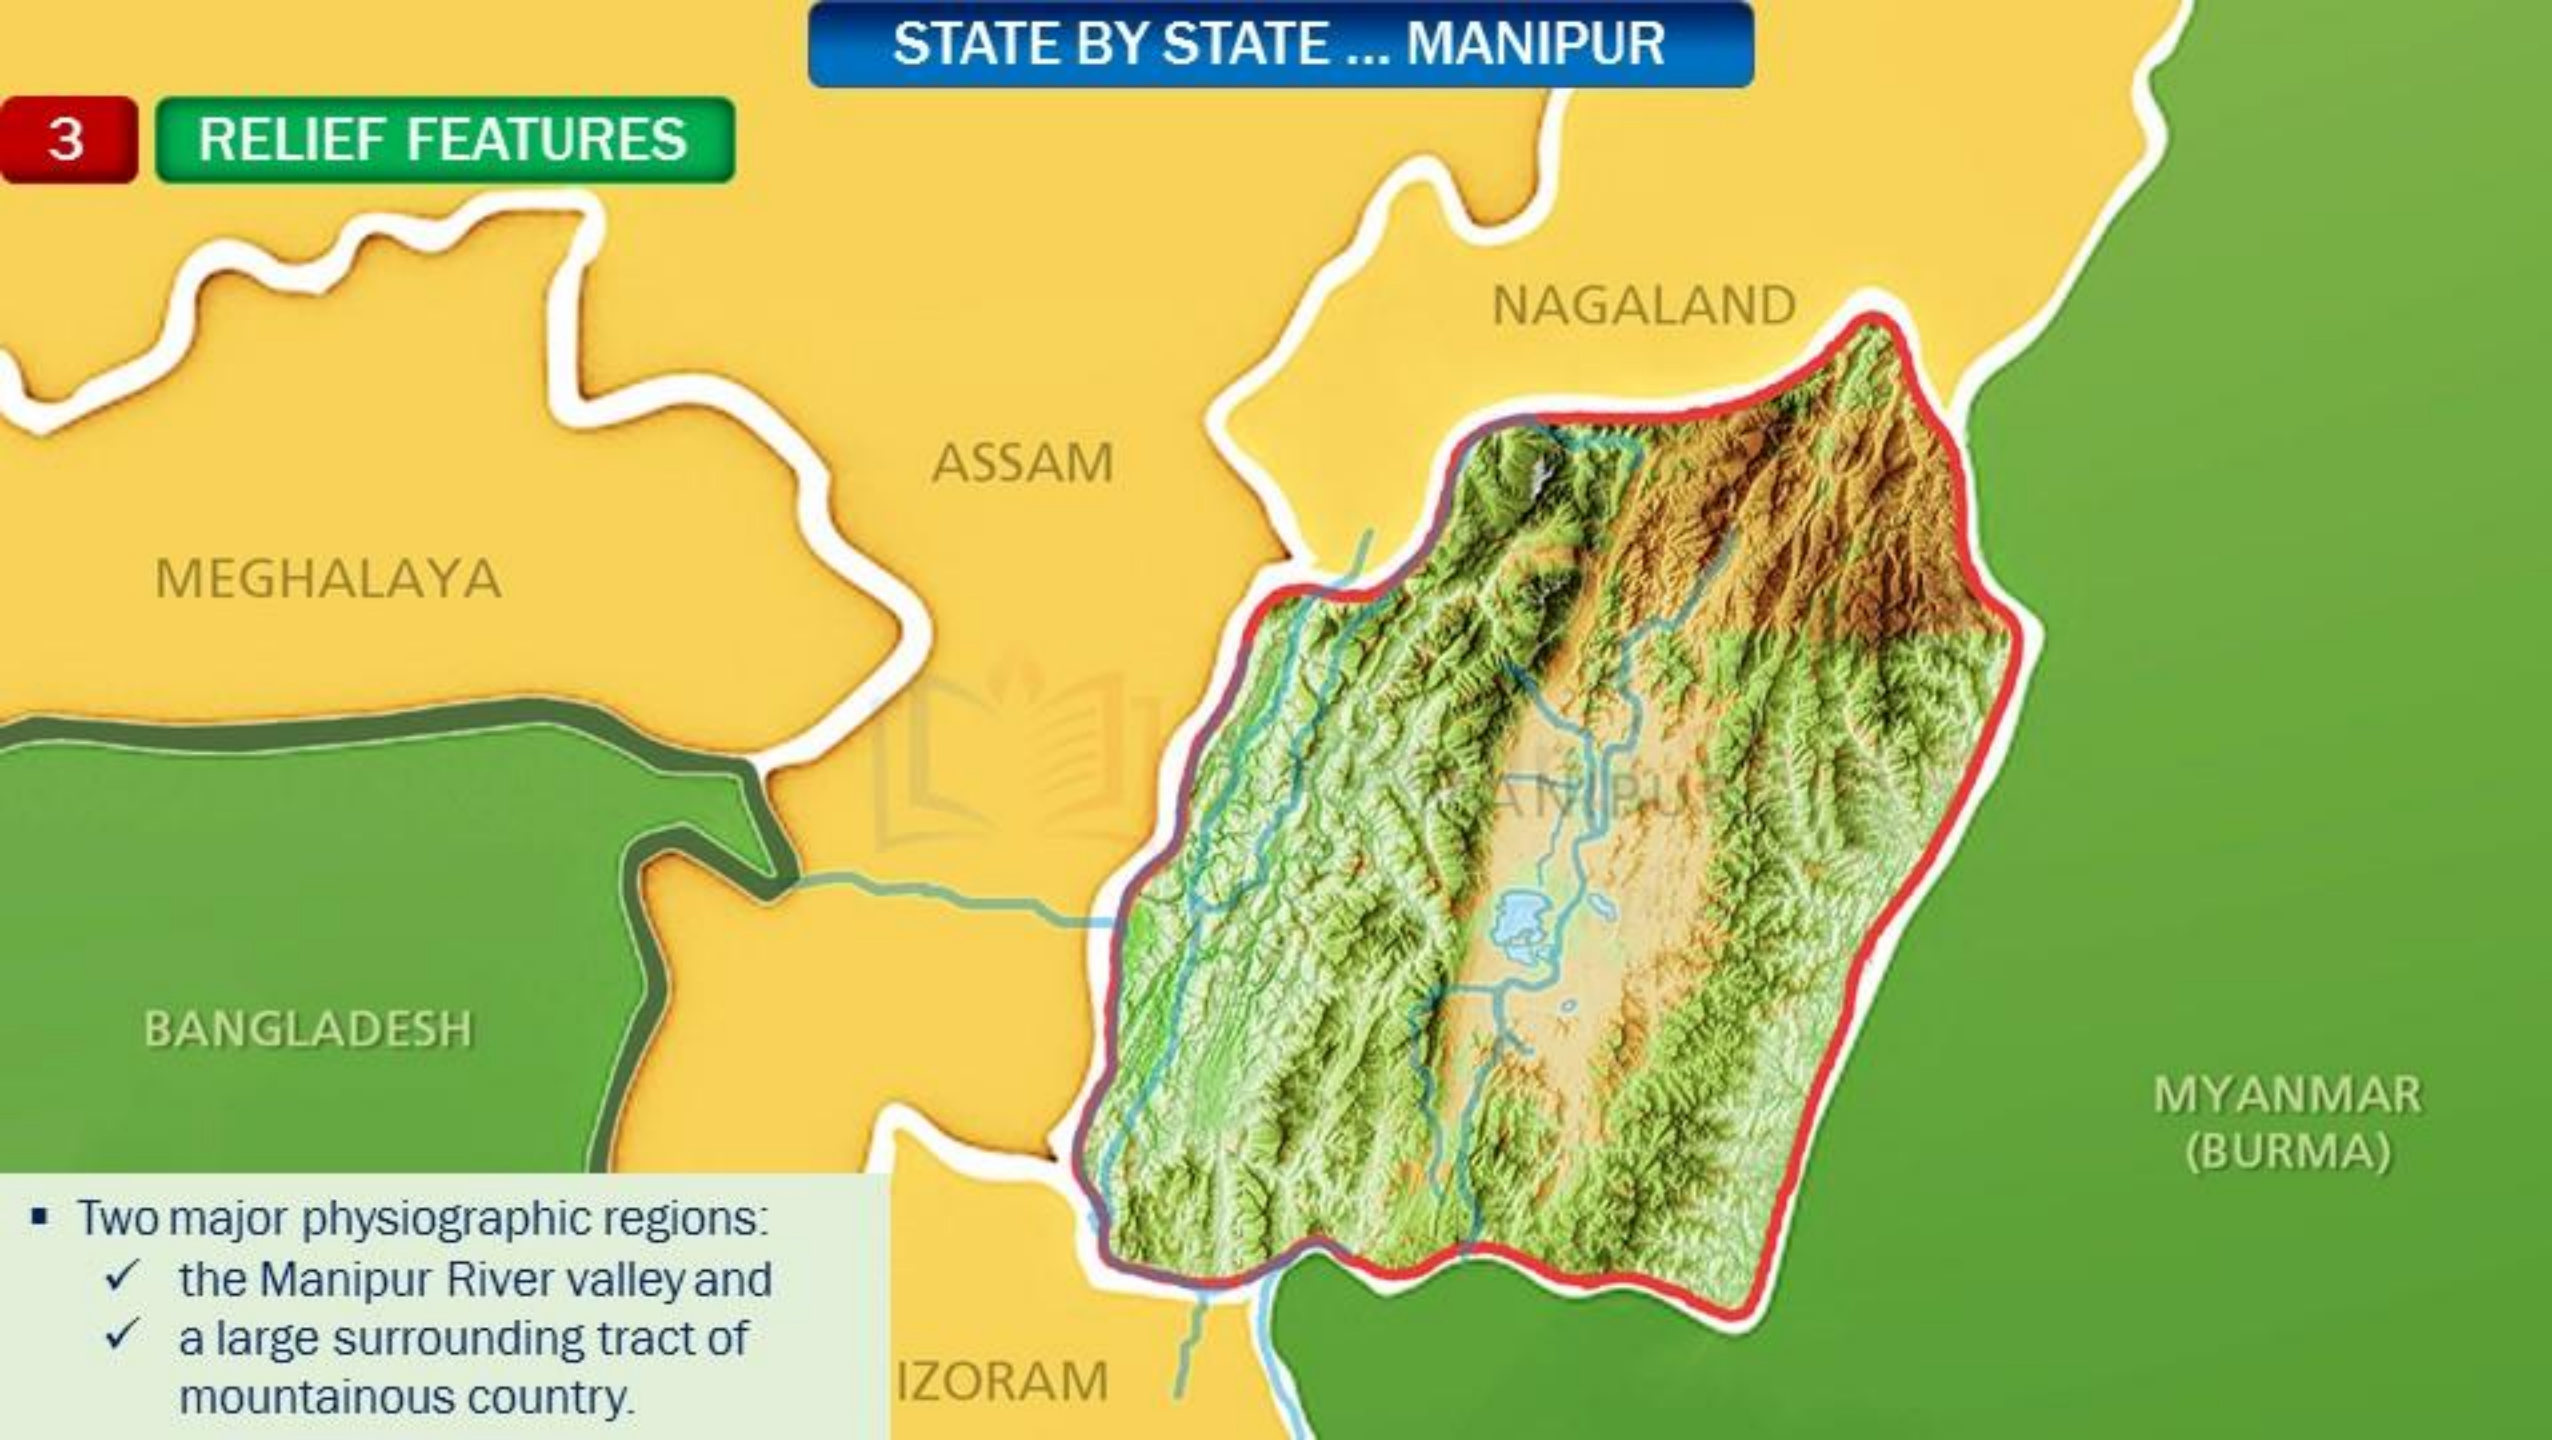

BANGLADESH

MYANMAR
(BURMA)

TRIPURA

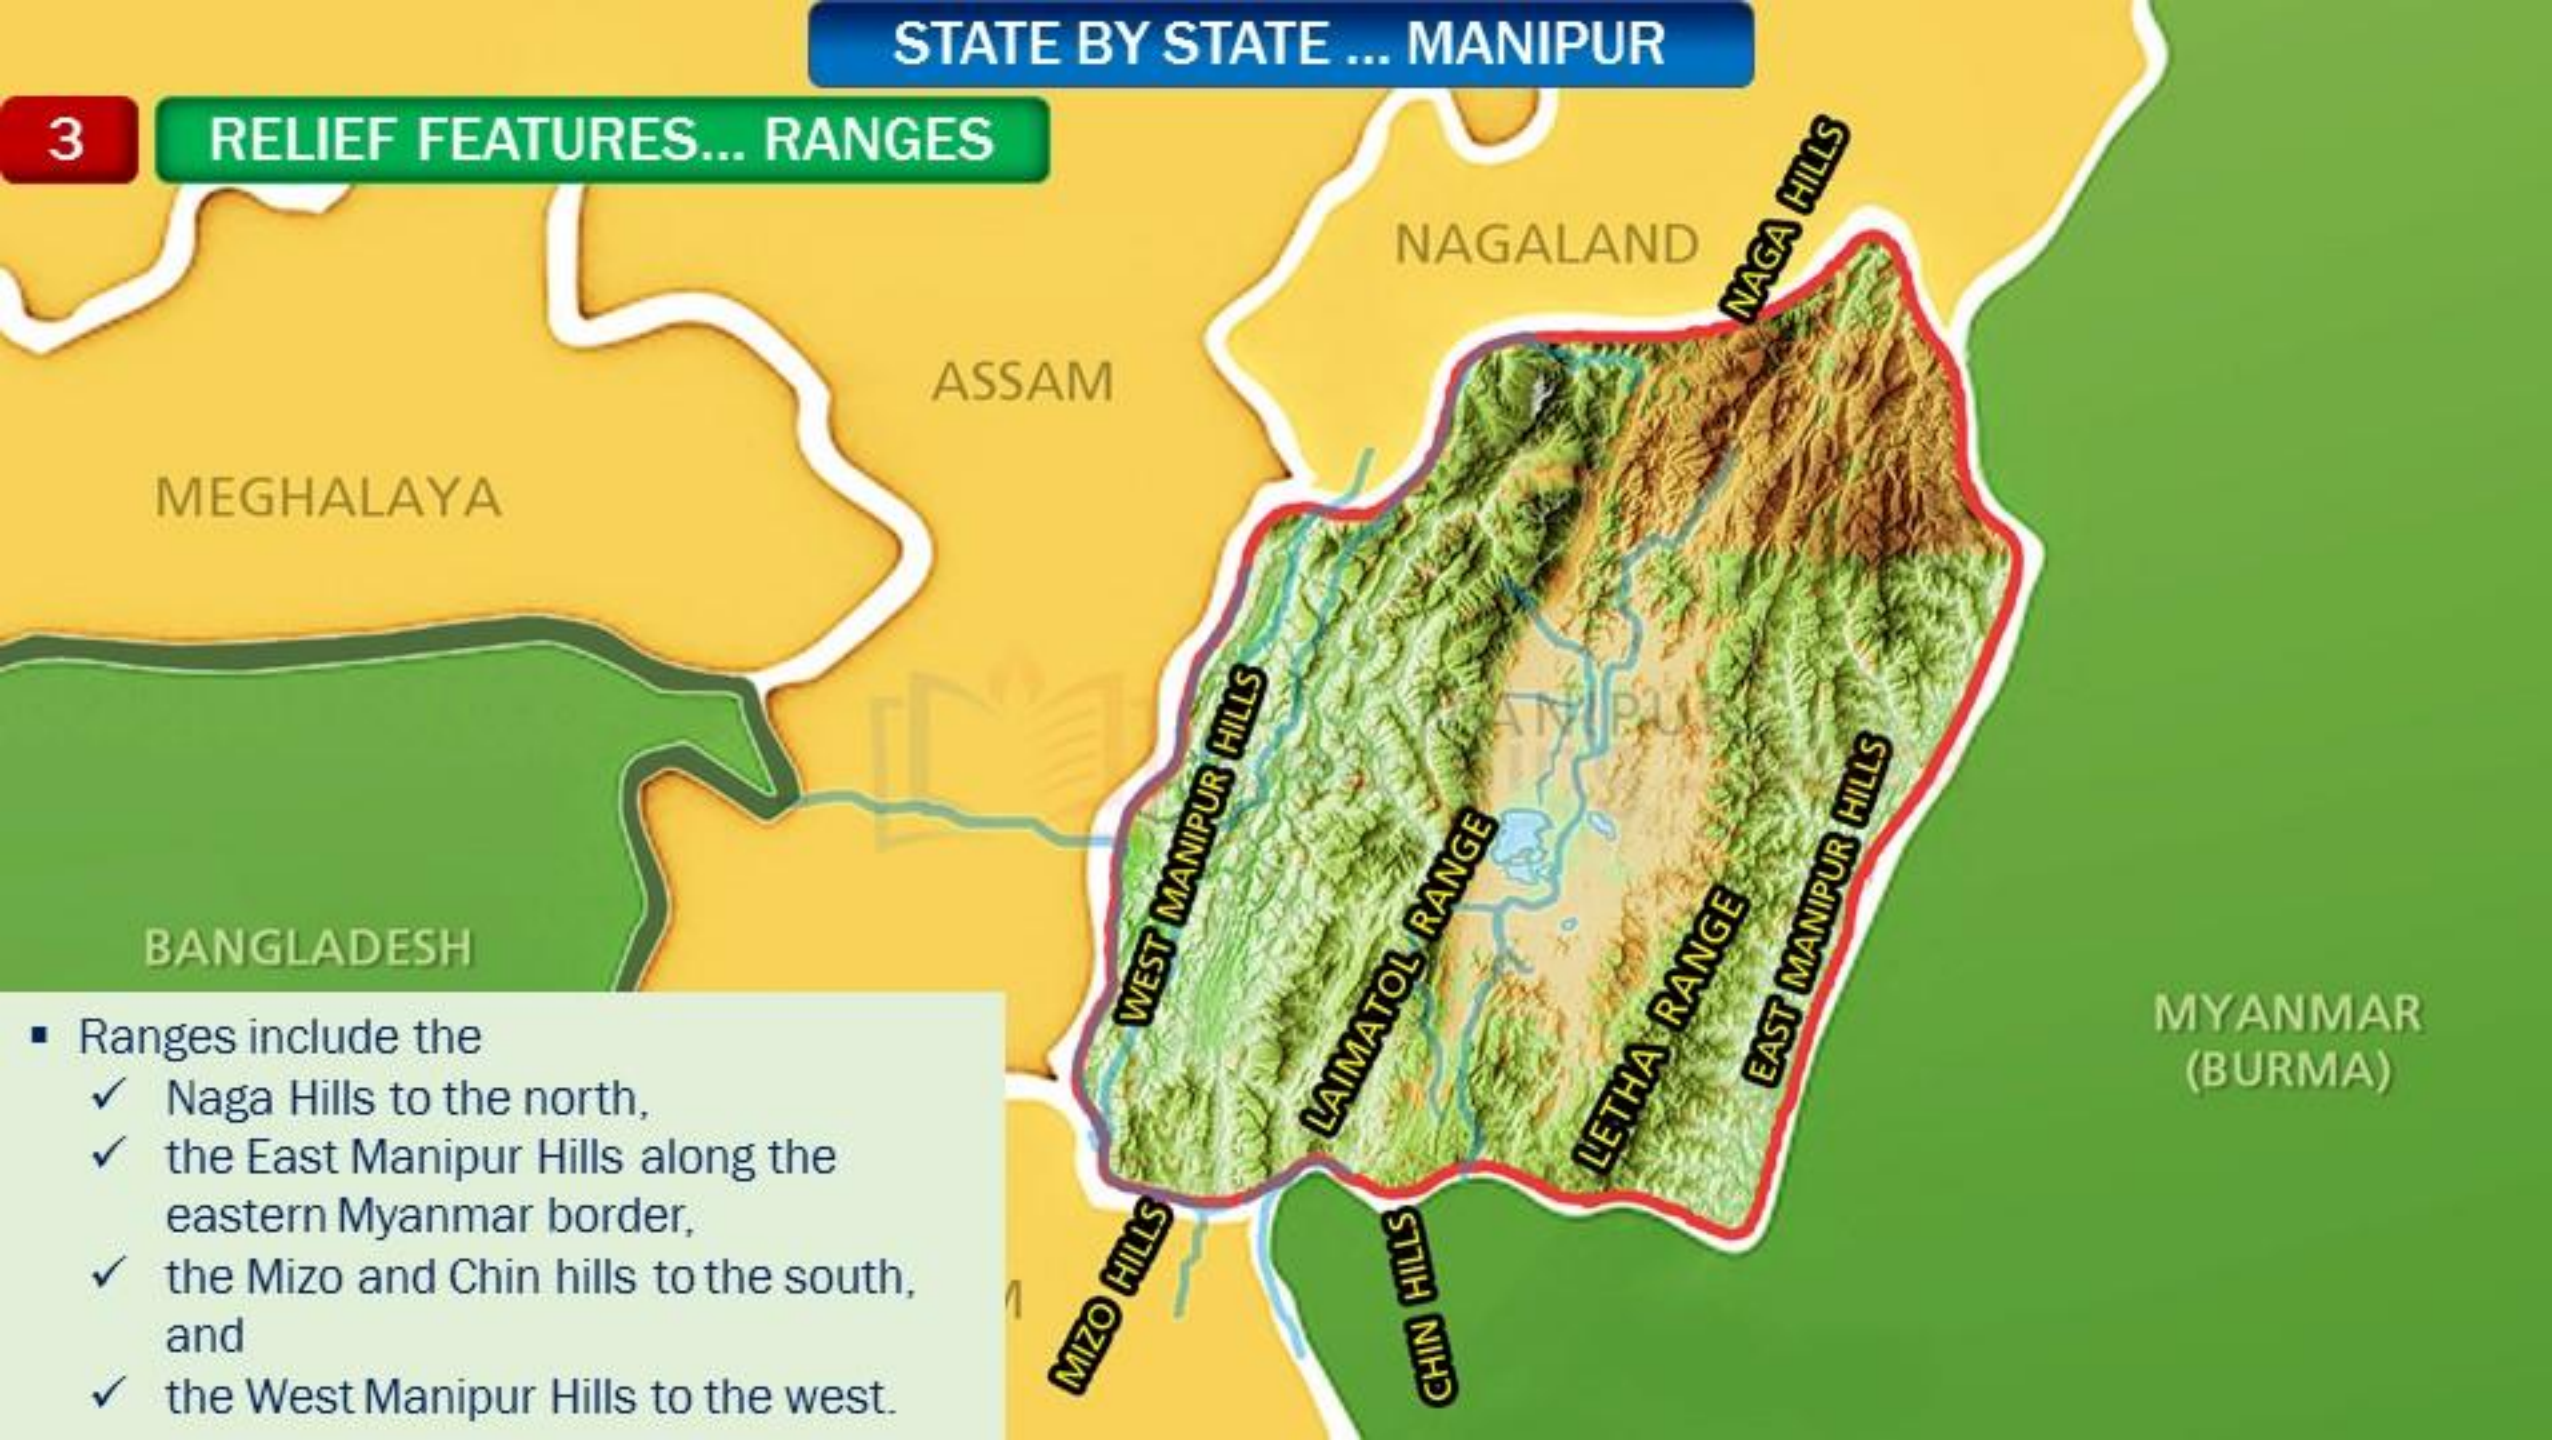

MIZORAM

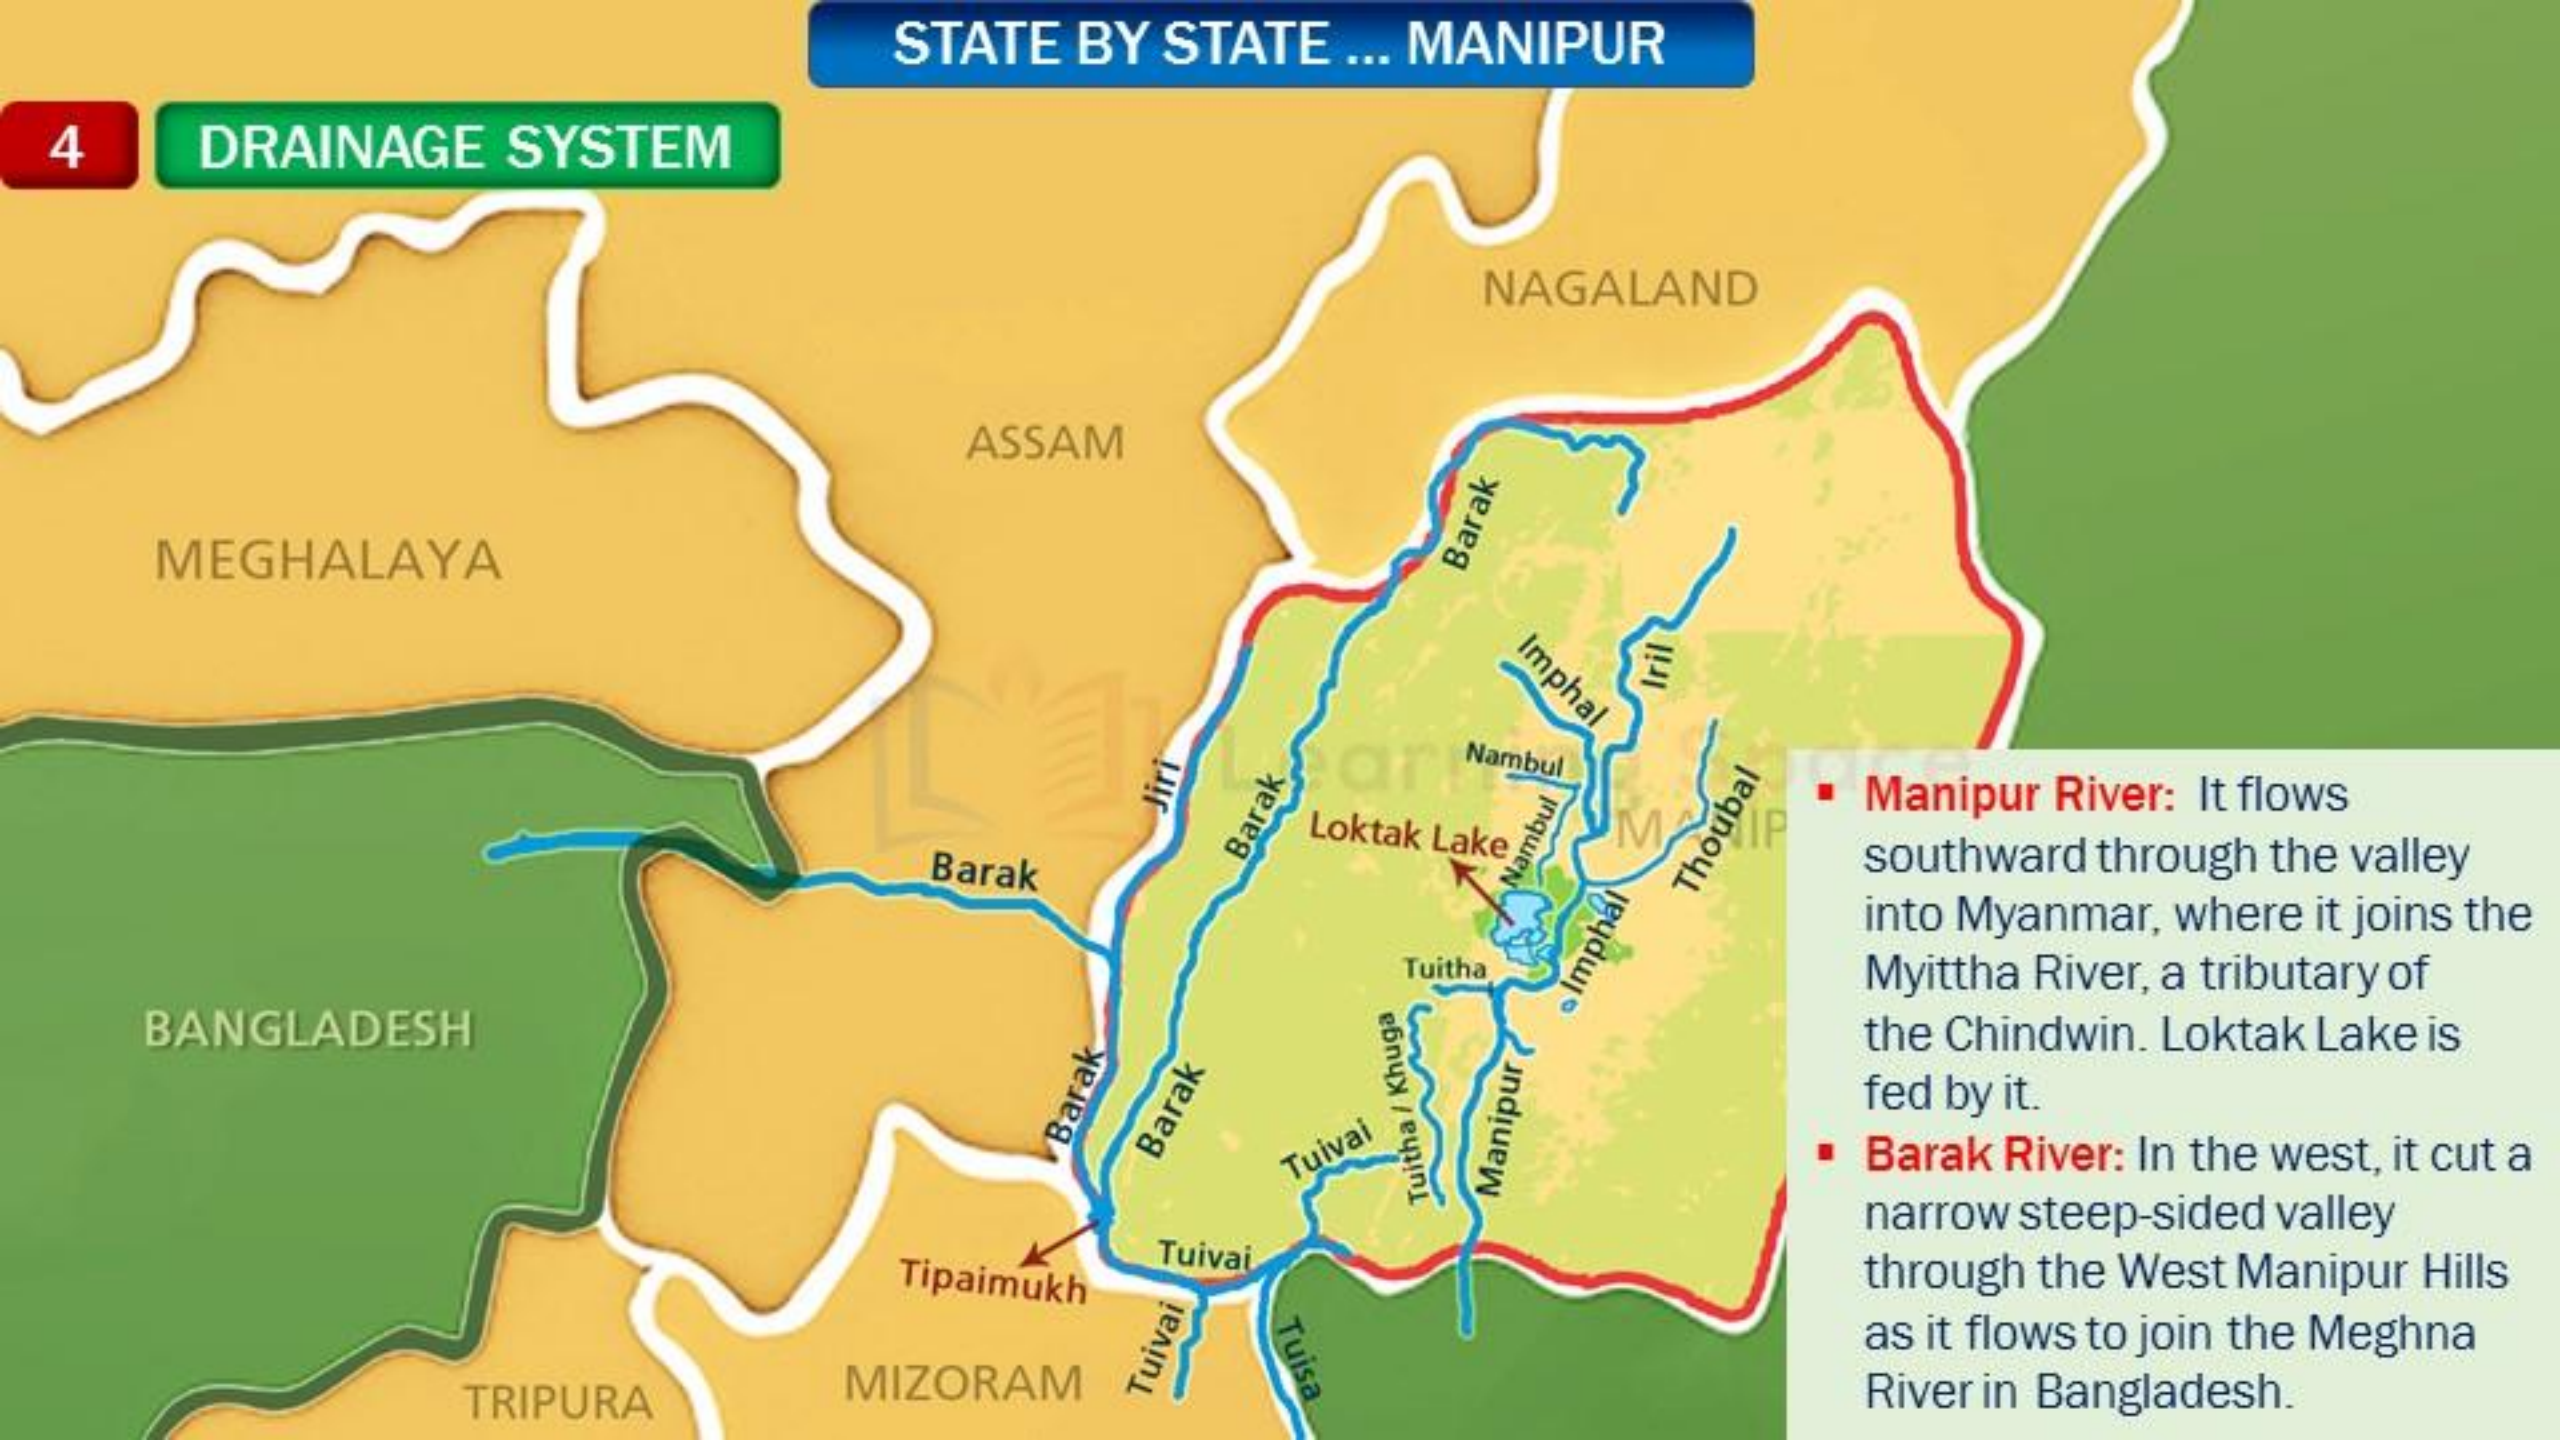

- Shares border with 3 states.
- Shares international border with Myanmar.

- Two major physiographic regions:
 - ✓ the Manipur River valley and
 - ✓ a large surrounding tract of mountainous country.

RELIEF FEATURES... RANGES

- **Manipur River:** It flows southward through the valley into Myanmar, where it joins the Myittha River, a tributary of the Chindwin. Loktak Lake is fed by it.
- **Barak River:** In the west, it cut a narrow steep-sided valley through the West Manipur Hills as it flows to join the Meghna River in Bangladesh.

Tipaimukh dam:

- ✓ Proposed dam has been opposed by local communities, as it will submerge 27,000 hectares of forest and agricultural land along the Barak River basin.
- ✓ Threat to Ganges river dolphin in Assam's Barak river system.
- ✓ Controversy on water rights between India and Bangladesh delayed the project.

6

RAINFALL

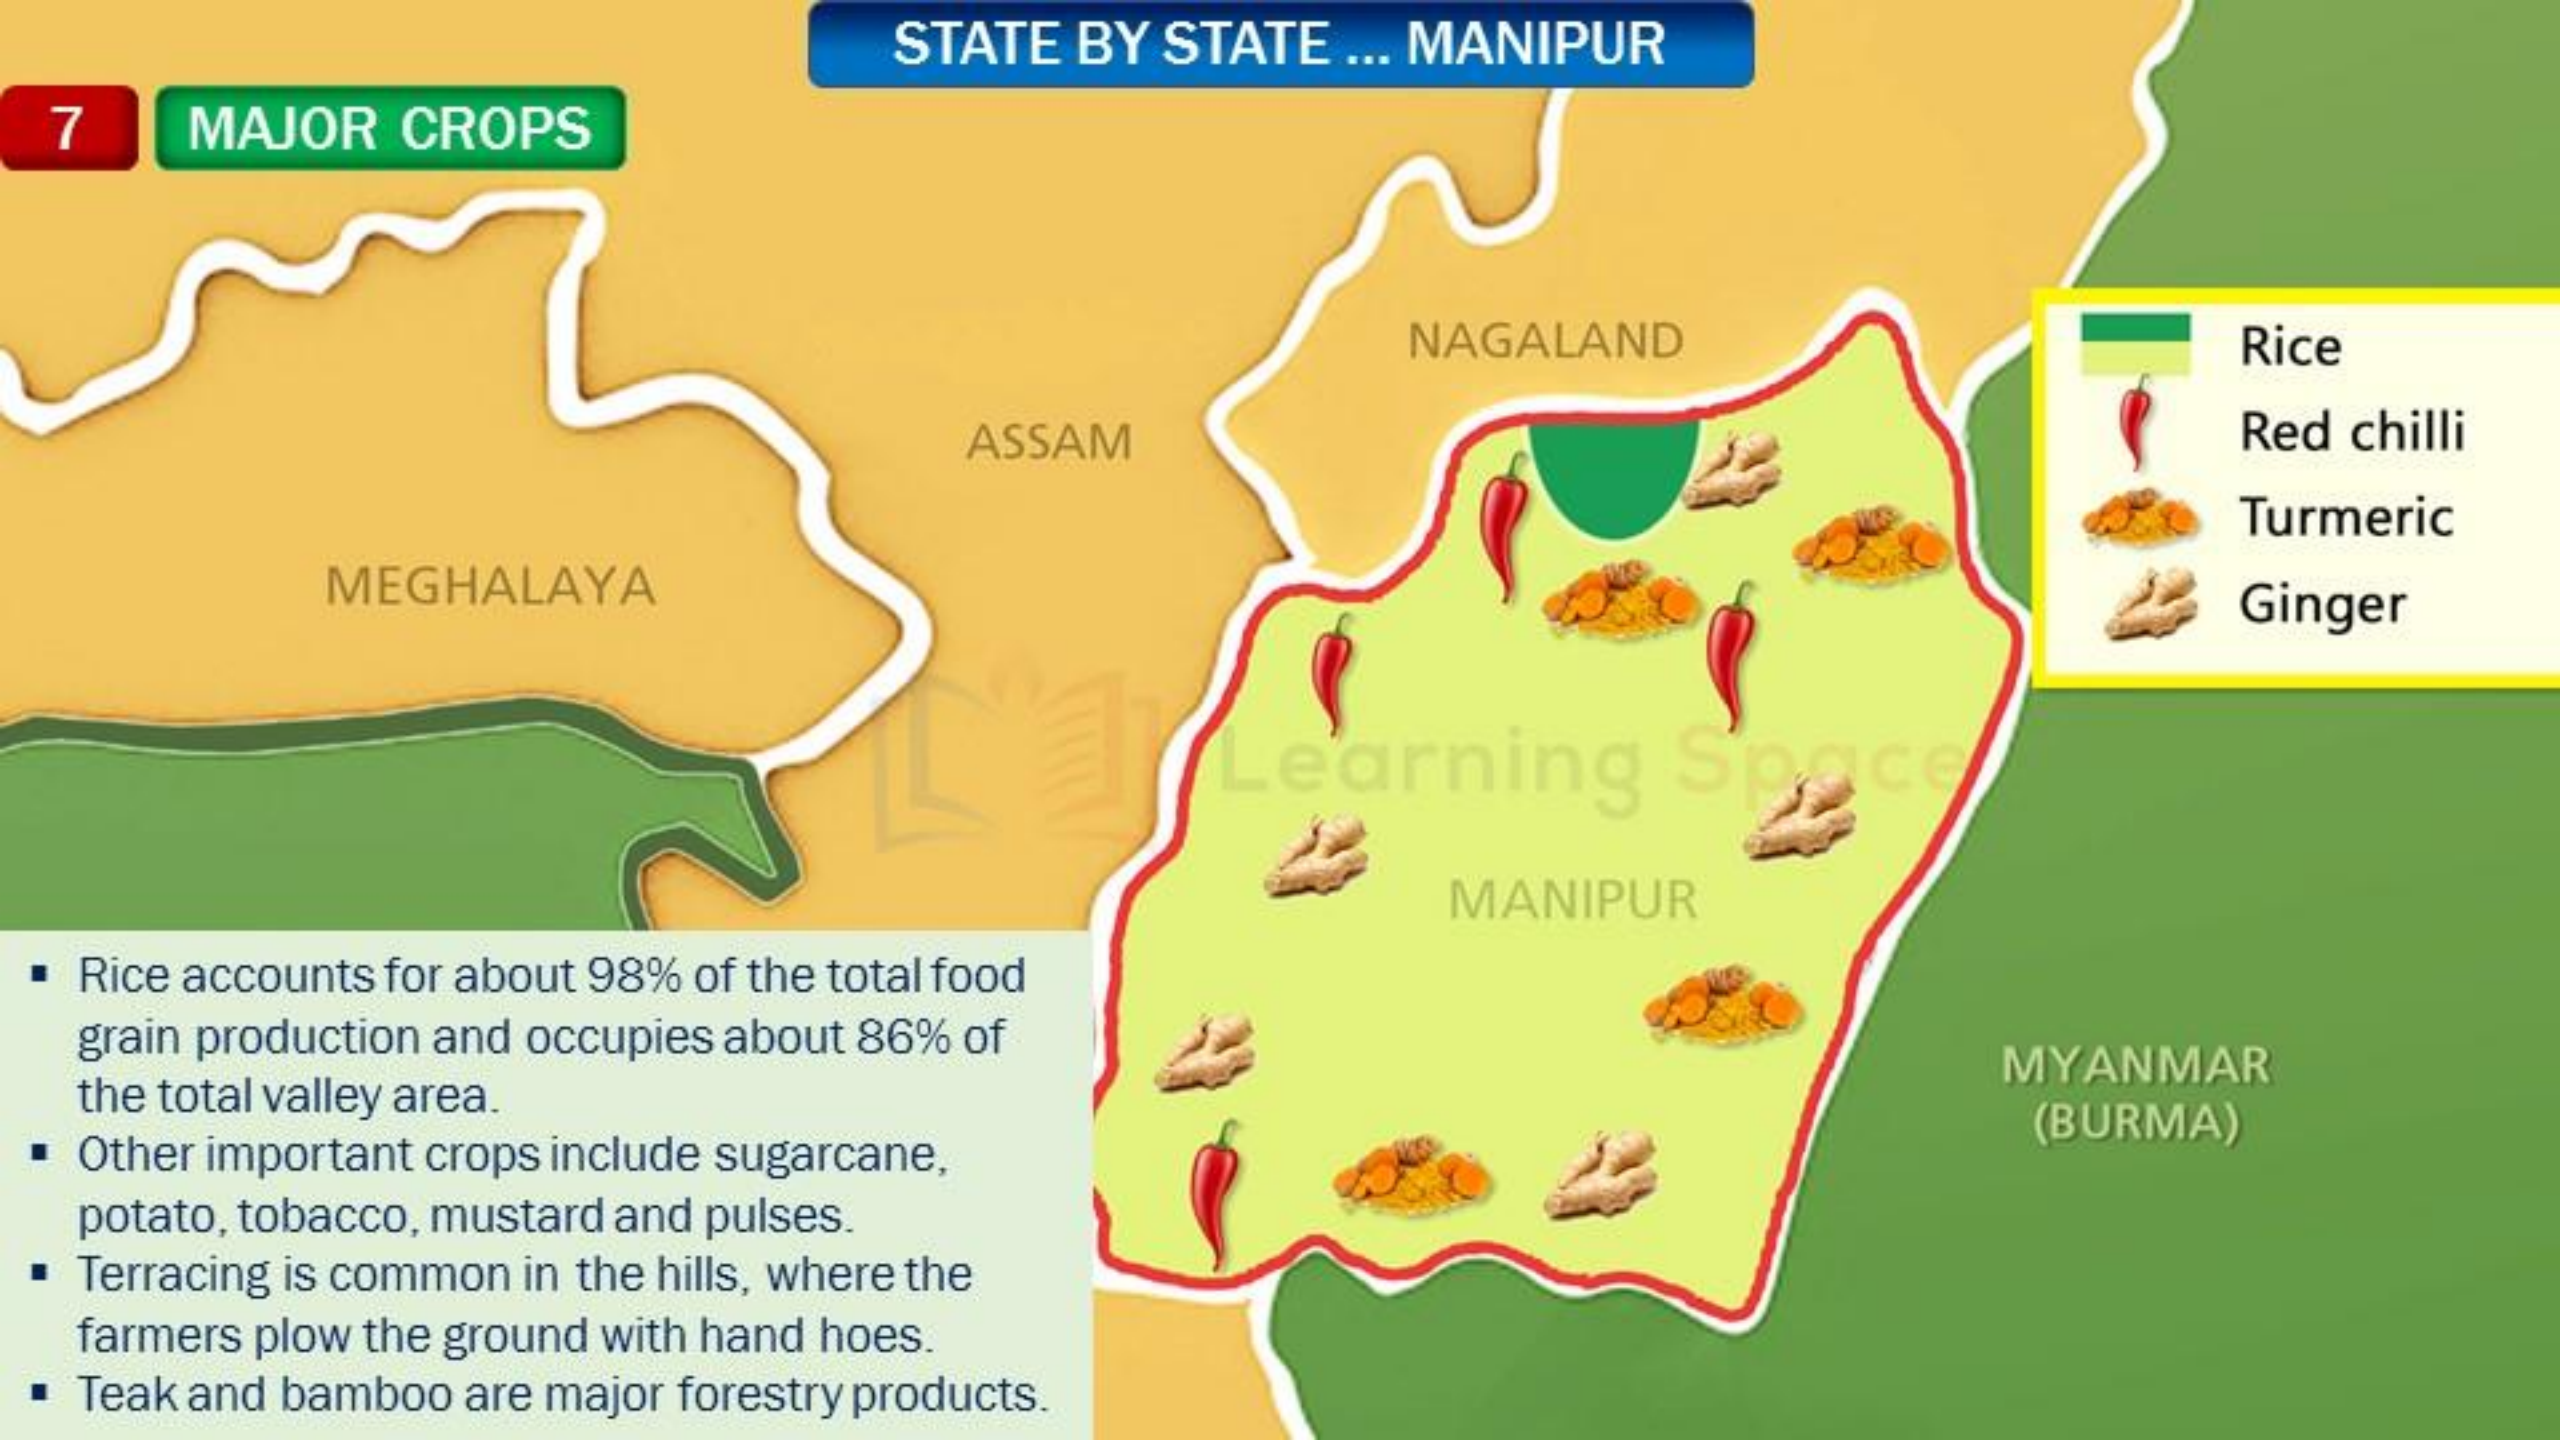

- **Climate:** Temperate in the valley and Cold in the hills.
- **Rainfall:** Abundant rainfall with precipitation occurring annually. November through February are the state's driest months.

STATE BY STATE ... MANIPUR

7

MAJOR CROPS

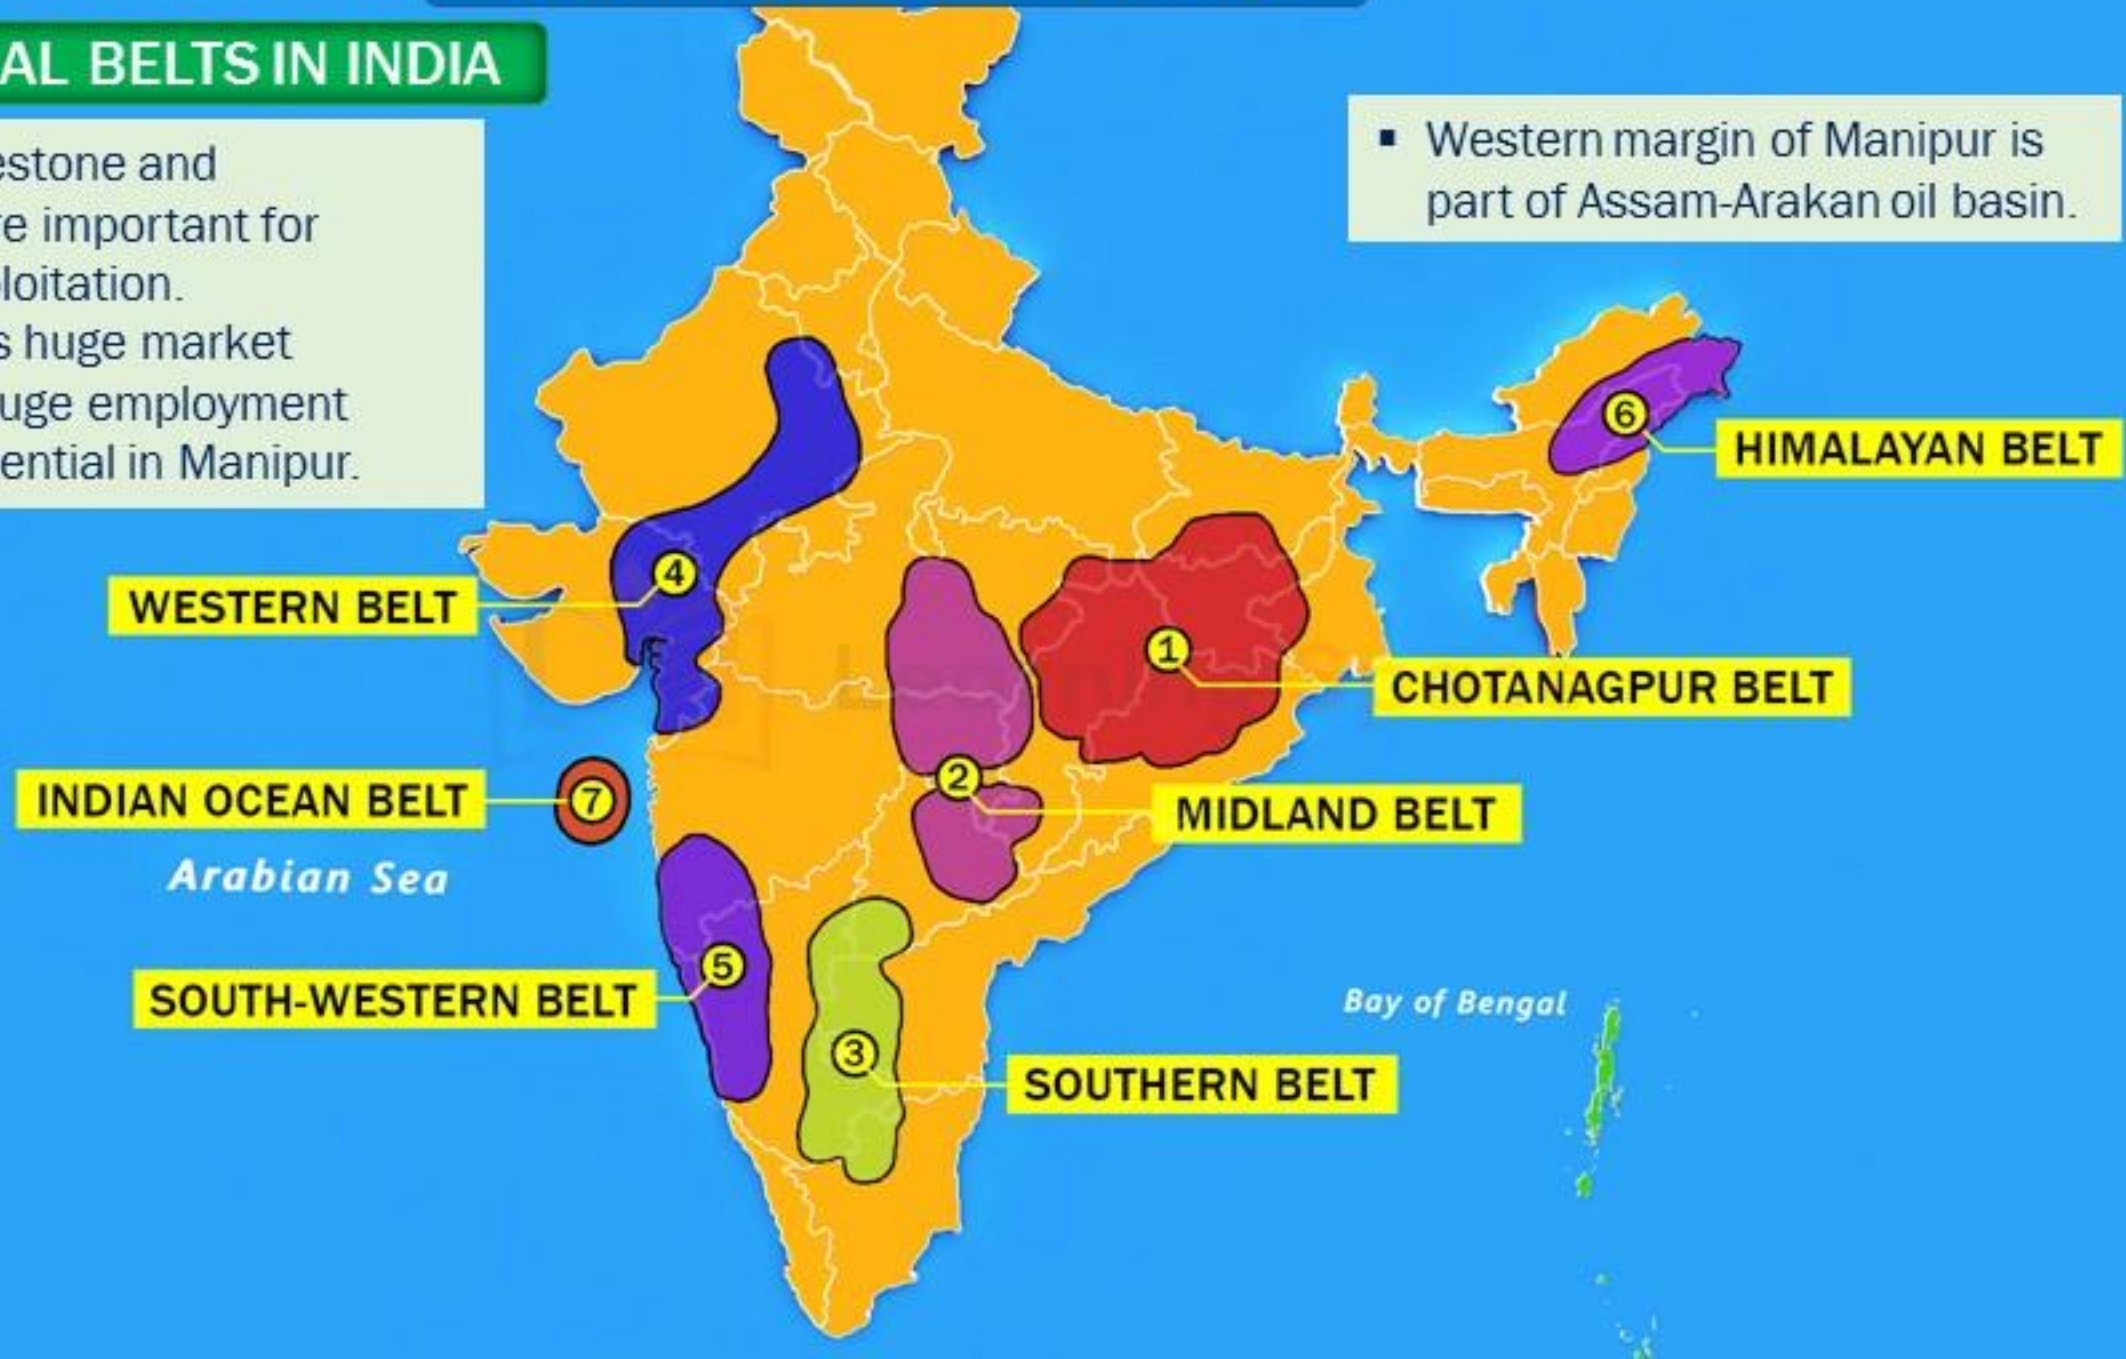

- Rice
- Red chilli
- Turmeric
- Ginger

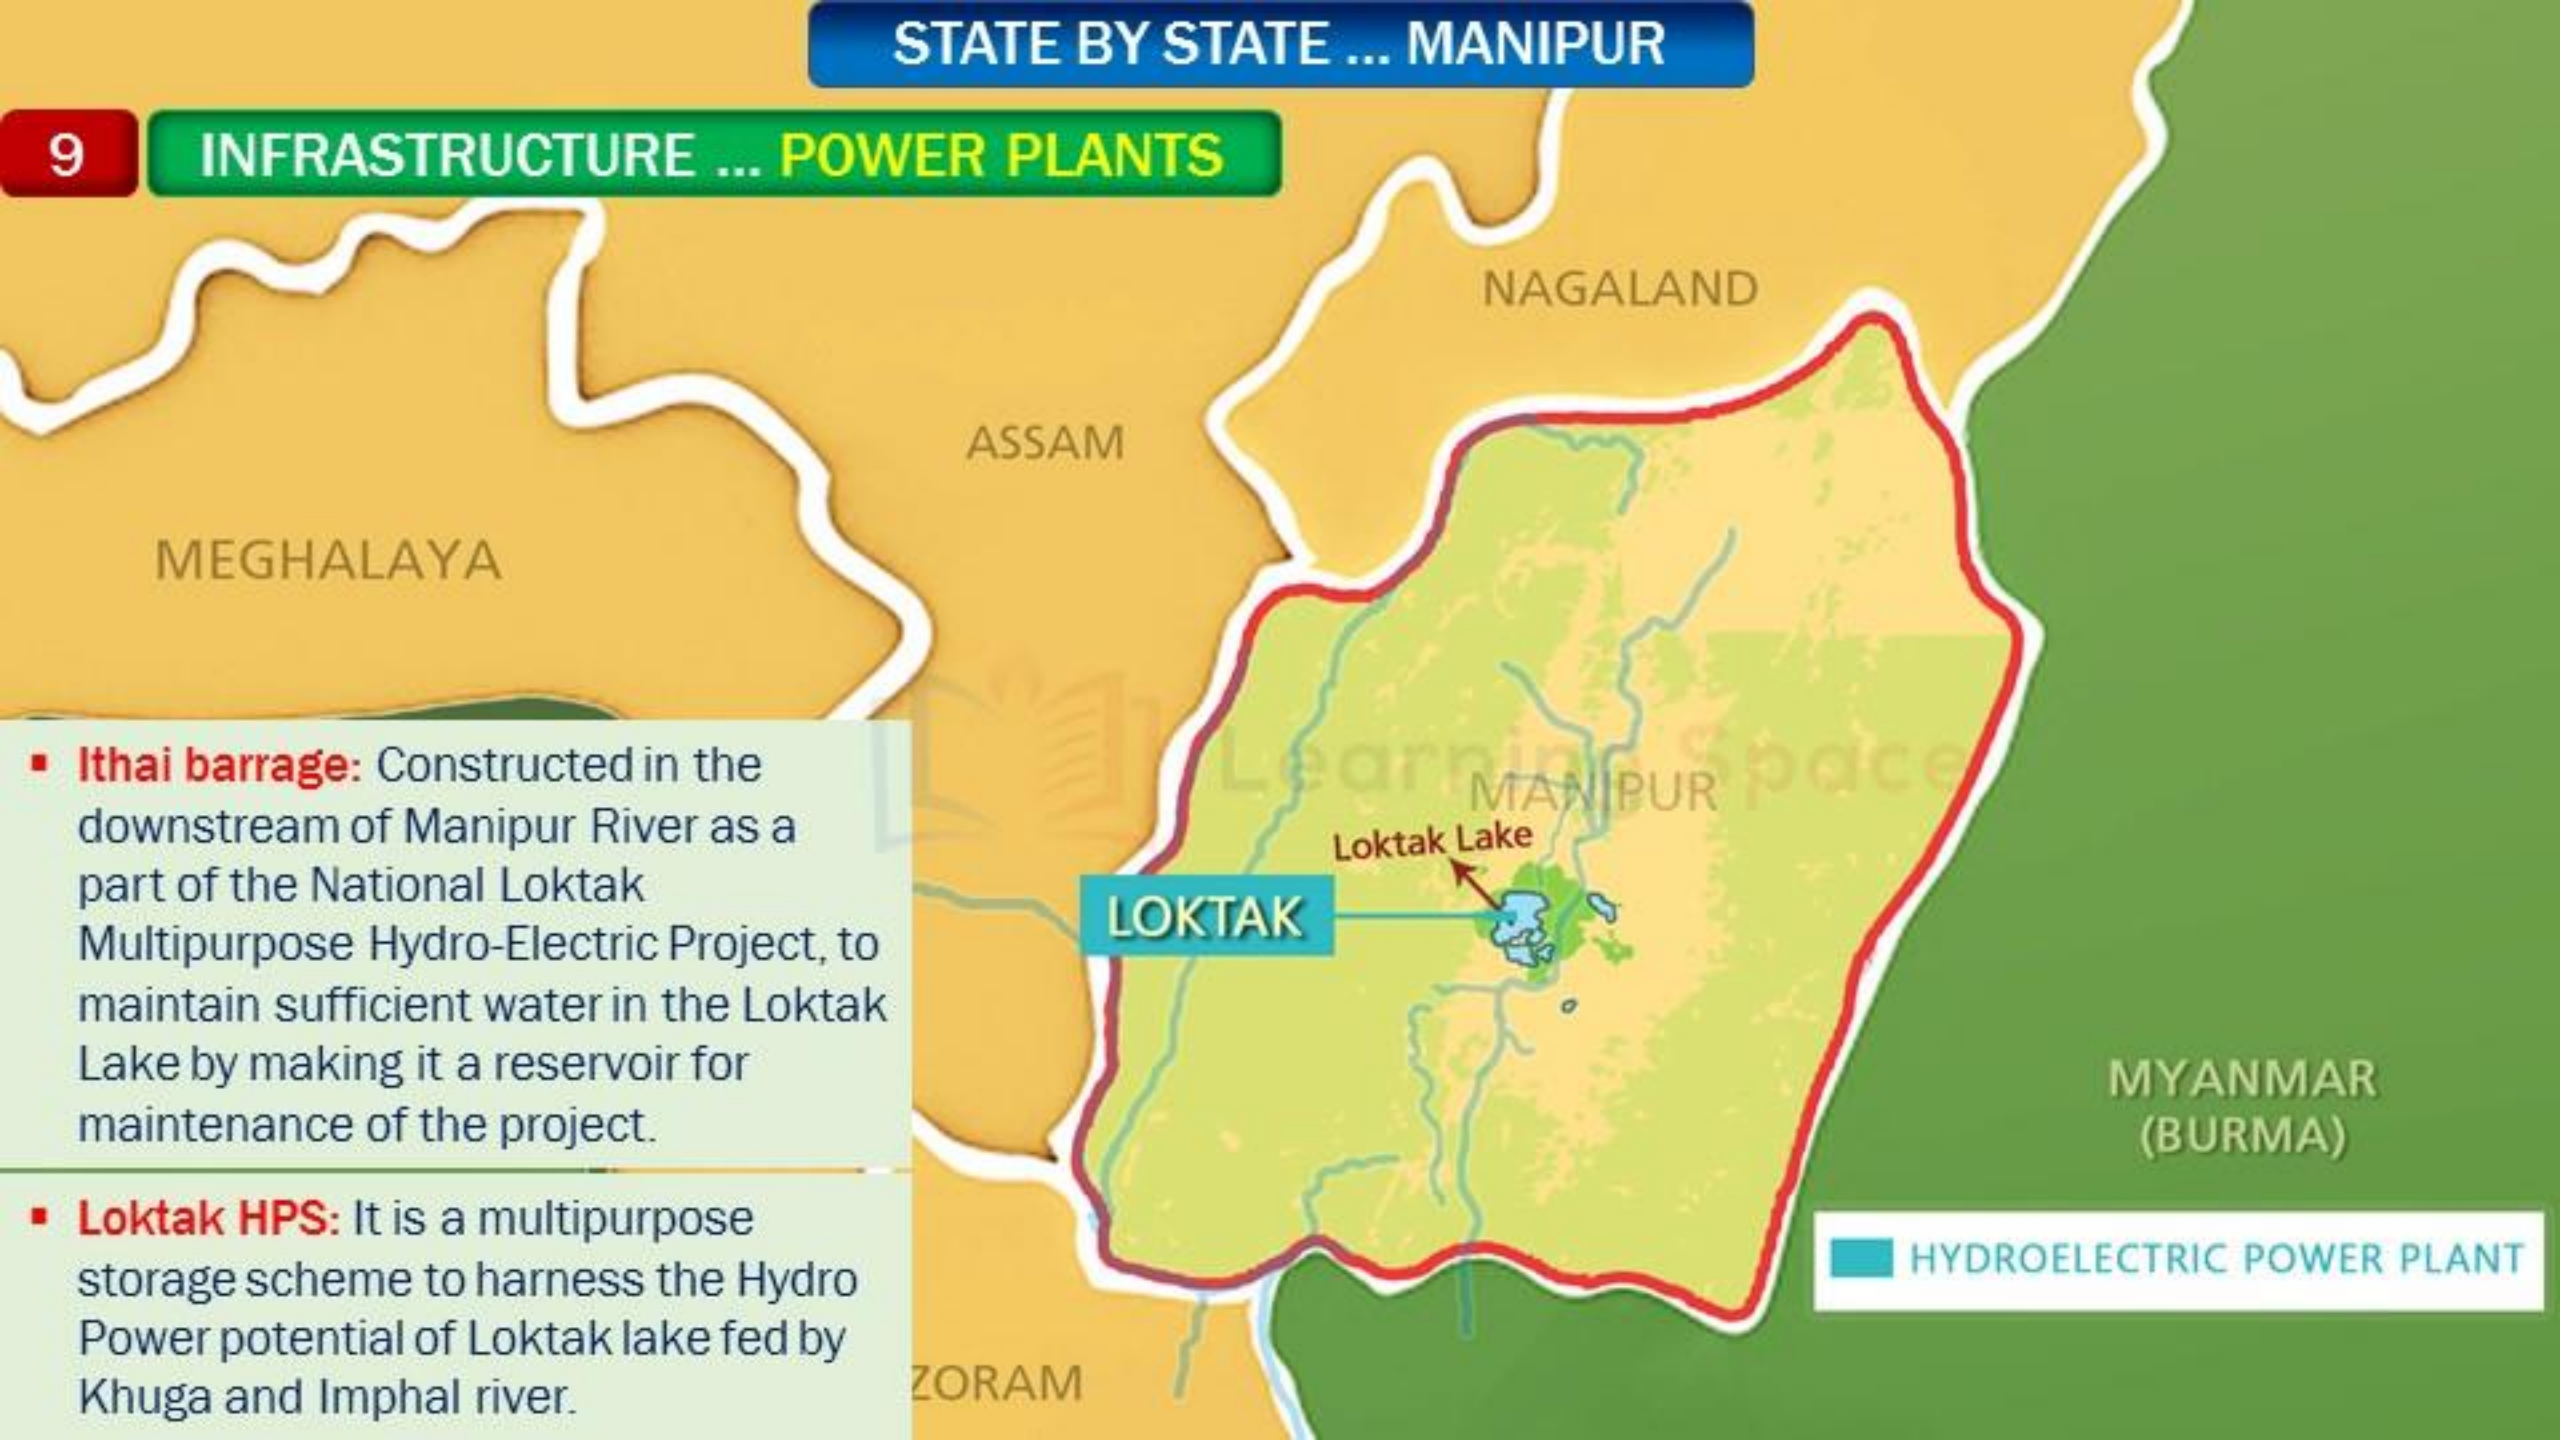

- Rice accounts for about 98% of the total food grain production and occupies about 86% of the total valley area.
- Other important crops include sugarcane, potato, tobacco, mustard and pulses.
- Terracing is common in the hills, where the farmers plow the ground with hand hoes.
- Teak and bamboo are major forestry products.

MINERAL BELTS IN INDIA

- Chromite, Limestone and Serpentine are important for immediate exploitation.
- Serpentine has huge market demand and huge employment generation potential in Manipur.

- Western margin of Manipur is part of Assam-Arakan oil basin.

- **Ithai barrage:** Constructed in the downstream of Manipur River as a part of the National Loktak Multipurpose Hydro-Electric Project, to maintain sufficient water in the Loktak Lake by making it a reservoir for maintenance of the project.

- **Loktak HPS:** It is a multipurpose storage scheme to harness the Hydro Power potential of Loktak lake fed by Khuga and Imphal river.

■ HYDROELECTRIC POWER PLANT

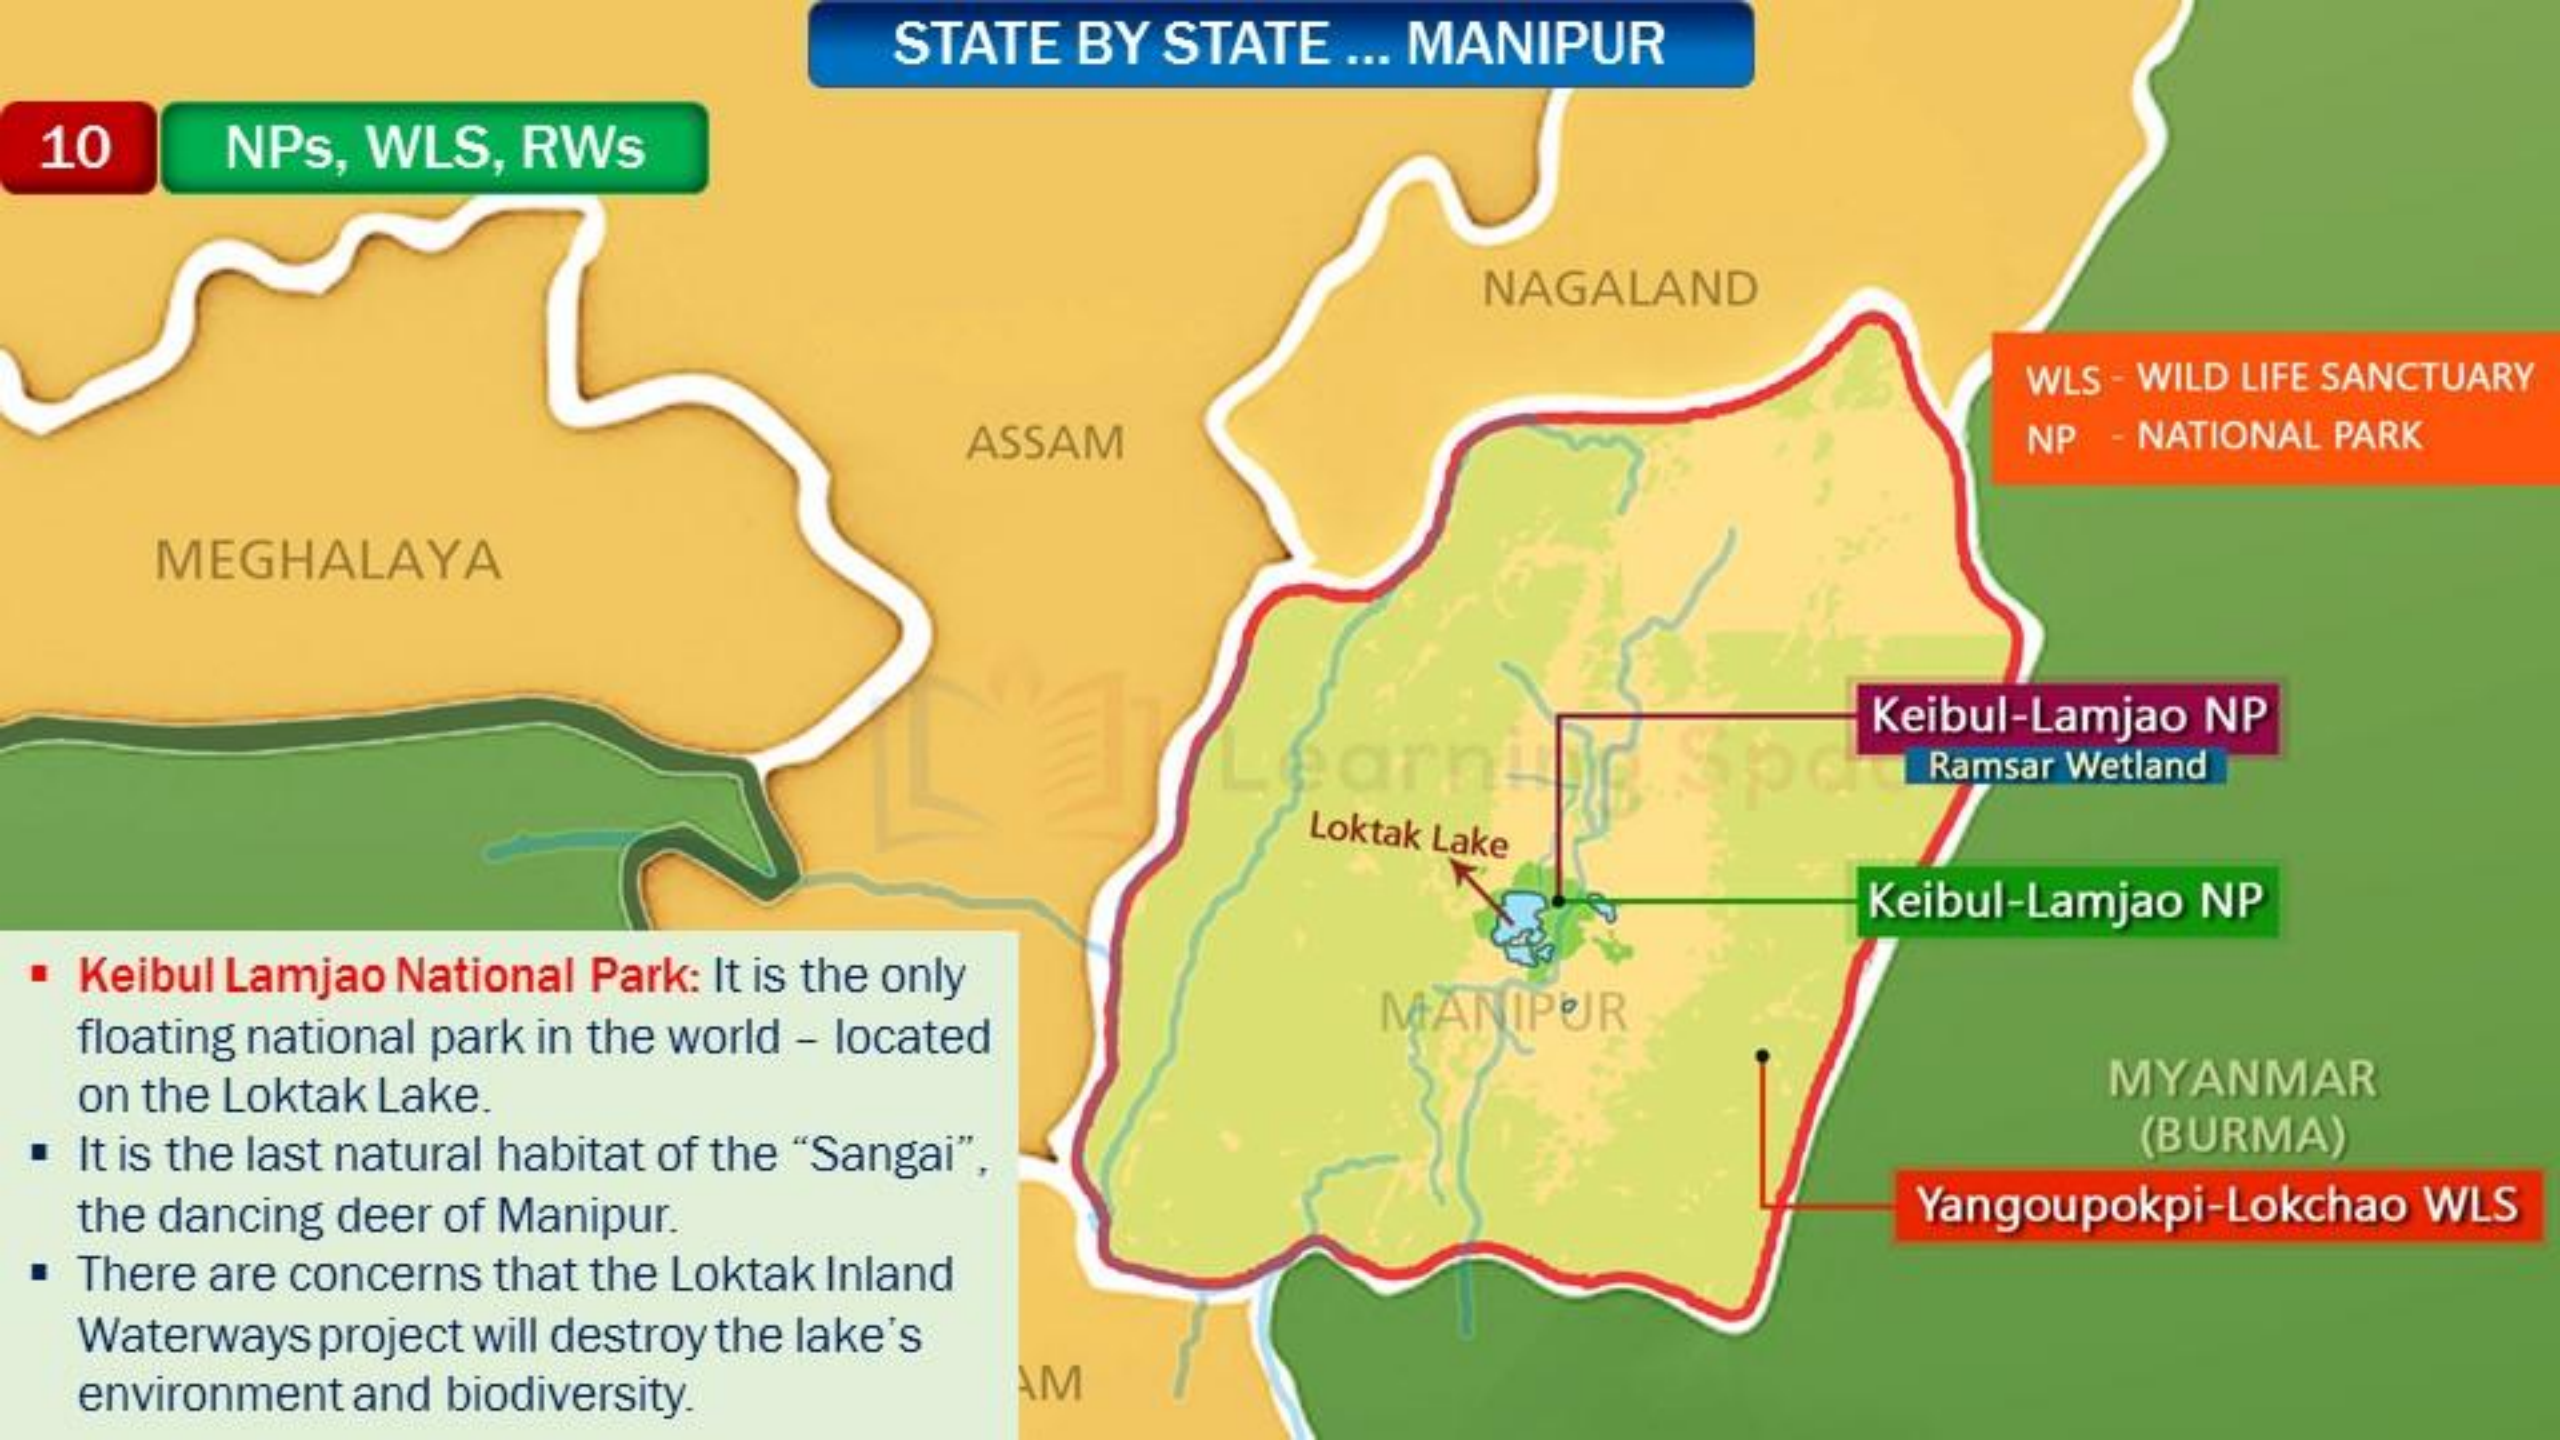

- **The India-Myanmar-Thailand Trilateral Highway:** A highway under construction under India's Look East policy that will connect Moreh in India with the Mae Sot in Thailand via Myanmar.
- Expected to boost trade and commerce in the ASEAN-India Free Trade Area, as well as with the rest of Southeast Asia.

NAGALAND

AM

- **Keibul Lamjao National Park:** It is the only floating national park in the world – located on the Loktak Lake.
- It is the last natural habitat of the “Sangai”, the dancing deer of Manipur.
- There are concerns that the Loktak Inland Waterways project will destroy the lake’s environment and biodiversity.

11

CULTURE

SANGAI FESTIVAL

- Named after Manipur's state animal, the Sangai deer.
- It exhibits - Thang Ta (a combination Spear & Sword skills), Yubi-Lakpi (a game played with greased coconut-like rugby), Mukna Kangjei (a game that combines hockey and wrestling), and Sagol Kangjei- Modern Polo (believed to have evolved in Manipur)

HUYEN LANGLON

- An Indian martial art from Manipur
- Consists of two main components:
 - ✓ thang-ta (armed combat) and
 - ✓ sarit sarak (unarmed fighting).

MANIPURI DANCE

- Indigenous form of classical dance.
- Both men and women perform communally.
- Unlike other Indian dance forms, hand movements are used decoratively.
- Long an isolated art form, Manipuri was introduced to the rest of India by Rabindranath Tagore in 1917.

MEITEI PEOPLE

- About two-thirds of the people are Meitei (Meetei).
- Occupy Manipur valley and are largely Hindus.
- Meitei women conduct most of the trade in the valley and enjoy high social status.
- Among the various types of festivals, religious themes are the most significant, with Lai Haraoba, Cheiraoba, Yaosang, Eid (Meitei-Muslim) etc.

ZOU PEOPLE OR ZOMI

- Officially recognized as one of the 33 indigenous peoples within Manipur and are one of the Scheduled tribes.
- Zomi tribes recently raised the demand for creation of Zoland Territorial Council (ZTC) in the wake of the demands for Nagalim and Kukiland Territorial Council.

RONGMEI (KABUI)

- Major Naga tribe indigenous to Assam, Manipur and Nagaland in North-East India.
- Scheduled tribe under the Constitution of India.
- Recently, the Rongmei Naga Indigenous Forum of Nagaland was happy at the historic breakthrough in Naga peace talks after 22 years of impasse.

SANGAI DEER/ELD's DEER

- Endemic and endangered subspecies of brow-antlered deer found only in Manipur.
- State animal of Manipur
- Its original natural habitat is the floating marshy grasslands of the Keibul Lamjao National Park, located in the southern parts of the Loktak Lake.
- IUCN Status: Endangered

SIROI LILY/SHIRUI LILY

- Rare pinkish white flower found only in the Shirui Hill range in the Ukhrul district.
- State flower of Manipur.
- Shirui Lily Festival was recently held.
- Festival seeks to spread the awareness about the endangered Shirui Lily and promote the district of Ukhrul as a tourist destination in Manipur.

LOKTAK INLAND WATERWAYS PROJECT

- Ministry of Shipping has approved for development of Loktak Inland Waterways Project under the Central Sector Scheme.
- Objective: Promoting beautiful northeast region which holds a lot of opportunity for tourism purposes.
- It will give a boost to development of inland water transport connectivity in North-eastern states.

8TH INTERNATIONAL TOURISM MART

- Organized by Tourism Ministry.
- Theme: 'Sustainable Tourism an engine for Economic Growth and Employment'.
- Objective: Highlighting tourism potential of region in domestic as well as international markets.
- Madhya Pradesh has also been invited to participate and give a presentation as it is paired State with Manipur under the 'Ek Bharat Shreshtha Bharat' initiative.

SWADESH DARSHAN SCHEME

- First project under Swadesh Darshan Scheme 'North East Circuit: Imphal and Khongjom' was inaugurated in Manipur.
- Covers two sites i.e. Kangla Fort and Khongjom in Manipur.
- Under this project, Tourism Ministry has carried out works such as restoration and improvement of outer and inner moat of old Govindajee Temple (largest Hindu, Vaishnav temple in Imphal).

BREASTFEEDING AND INFANT AND YOUNG CHILD FEEDING PRACTICES IN INDIA

- Manipur has topped rankings in Breastfeeding and Infant and Young Child Feeding Practices in India.
- Breastfeeding report card has been developed by devising a composite score based on 3 indicators –
 - ✓ Early initiation of breastfeeding
 - ✓ Exclusive breastfeeding for 6 months
 - ✓ Complimentary feeding at 6-8 months of child's age
