TR - TIGER RESERVE

- Many Brus were traditional forest dwellers at Dampa forest till 1986 when it was declared a tiger reserve.
- The Brus believe there are no tigers at Dampa and cited Prime Minister Narendra Modi's speech from last year where he said while releasing results of All India Tiger Estimation that tigers are declining in Mizoram

FESTIVALS

- **Mim kut:** Held after the first harvest of the year. Intended both to give thanks and to honour deceased relatives.
- **Pawl kut:** Also a harvest festival, takes place in December or January.
- **Chapchar kut:** Among shifting agriculturalists, it is held at the start of the agricultural year, after the forest has been felled and before the burning of the new fields begins.

CHERAW DANCE

- Involves men holding bamboo close to the floor.
- They tap the sticks open and close with the rhythm of music.
- Women in colourful dresses dance on top, stepping in between and out of the bamboo with the music.
- Requires co-ordination and skill.

BRU (OR REANG) TRIBES – FOUR CORNER AGREEMENT

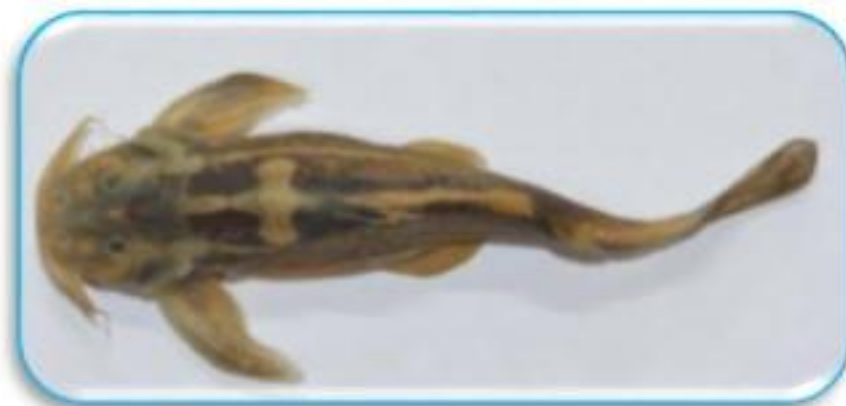

- Ministry of Home Affairs has agreed to relax conditions laid down in 'four-corner agreement'.
 - Agreement covers 5,407 Bru families presently staying in temporary camps in Tripura to repatriate them to Mizoram.
 - Central Government will provide financial assistance for their rehabilitation in Mizoram and address their issues of security, education, livelihood etc. in consultation with Governments of Mizoram and Tripura.
 - In 1997, ethnic violence between Mizos and Brus resulted in thousands of Bru tribes being forced to leave their homes in Mizoram and settle down in Tripura.
-
- ✓ 'Buisu' – Most popular festival.
 - ✓ Hodaigri (Hojagiri) – Most popular folk dance.

SMITHOPHIS ATEMPORALIS

- Scientific Name: *Smithophis atemporalis* (named after eminent British herpetologist Malcolm Arthur Smith for his immense contribution to Indian herpetology).
- Local Name: Mizo Rain snake, Ruahlawmrul and Rain-loving snake.
- Non-venomous snake.

GLYPTOTHORAX GOPII

- A new species of catfish found in Kaladan river of Mizoram.
- It has been named to celebrate contribution of eminent taxonomist K.C. Gopi.
- The elliptical thoracic adhesive apparatus and plicae (folds of tissue) present on ventral surfaces of pectoral-fin spine help fish cling to rocks.

ZOKHAWTHAR LAND IMMIGRATION CHECK-POST

- Designated as an authorised immigration centre for entry into and exit from India with valid travel documents for all passengers to or from Myanmar.
- Second immigration check-post in Mizoram along Myanmar border after Zorinpui check-post.

PROTECTED AREA PERMIT REGIME (PAP)

- Ministry of Home Affairs has relaxed six-decade-old PAP regime to allow foreign tourists to access border areas of Nagaland, Mizoram and Manipur for five years with effect from April 1, 2018.
- Initiated to promote tourism, create job opportunities for the locals and generate revenue for the states.
- Citizens from Pakistan, China and Afghanistan, will remain to be banned from all PAP areas.

TAWLHLOHPUAN

- Holds high significance in Mizo society.
- Compactly woven fabric from Mizoram.
- Known for warp yarns, warping, weaving and intricate designs that are made by hand
- Produced throughout Mizoram, especially in Aizawl and Thenzawl town which are main centres of production.

MIZO PUANCHEI

- A colourful Mizo shawl considered essential by most women.
- Common costume in Mizo festive dances and official ceremonies.
- It is made by weavers by inserting designs and motifs by using supplementary yarns while weaving to create this beautiful and alluring textile.

DHARMA GUARDIAN

- *Indo-Japan Joint Military Exercise.*
- *Annual training event between Indian Army and Japanese Ground Self Defence Forces (JGSDF), conducted in India since 2018.*

Objective:

- *To increase interoperability between forces of two nations.*
- *To enhance co-ordination in dealing with various security challenges including counter-terrorism.*
- *To cover platoon-level joint training on counter-terrorism operations in jungle and urban scenario.*
