STATE WISE STATUS OF INSURGENCY

NAGALAND

- 1 The first and the most significant insurgency started in Nagaland under the leadership of Phizo in the early 1950s.

- 2 The Nagas believe that they were not part of India, whether through conquest or consent.
- 3 The Nationalist Socialist Council of Nagaland (NSCN) is a Naga nationalist group operating in North-east India.
- 4 The main aim of the organisation is to establish a sovereign state, "Nagalim" unifying all the areas inhabited by the Naga people in Northeast India and Burma.

NORTH-EAST INSURGENCY

NAGALAND - A BRIEF HISTORY ON NAGA HILLS!

ANGAMI ZAPU PHIZO
NAGA NATIONALIST LEADER

- 1 Naga Hills became part of British India in 1881.
- 2 The effort to bring scattered Naga tribes together resulted in the formation of Naga Club in 1918.
- 3 Naga Club told the Simon Commission "to leave us alone to determine for ourselves as in ancient times".
- 4 Subsequently, Naga Club metamorphosed into Naga National Council (NNC) in 1946.
- 5 Under the leadership of Angami Zapu Phizo, the NNC declared Nagaland as an independent State on August 14, 1947.
- 6 It conducted a referendum in May 1951 to claim that 99.9% of the Nagas supported a sovereign Nagaland.

UNDERGROUND ACTIVITIES CRUSHED BY INDIAN ARMY!

THUINGALENG MUIVAH

S. S. KHAPLANG

- 1 On March 22, 1952, Phizo formed the underground Naga Federal Government and the Naga Federal Army.
- 2 The Government of India sent in the Army to crush the insurgency. In 1958, Government enacted Armed Forces Special Powers Act.
- 3 The insurrection petered out (waned) by the mid-1970s, but returned with more intensity in the form of the NSCN led by Mr. Muivah and S.S. Khaplang.

NORTH-EAST INSURGENCY

WHAT ABOUT THE PEACE EFFORTS?

1 Peace efforts for the first time started before India's independence.

2 In June 1947, Assam Governor Sir Akbar Hydari signed the Nine-Point Agreement with the moderates in the NNC, but Phizo rejected it outright.

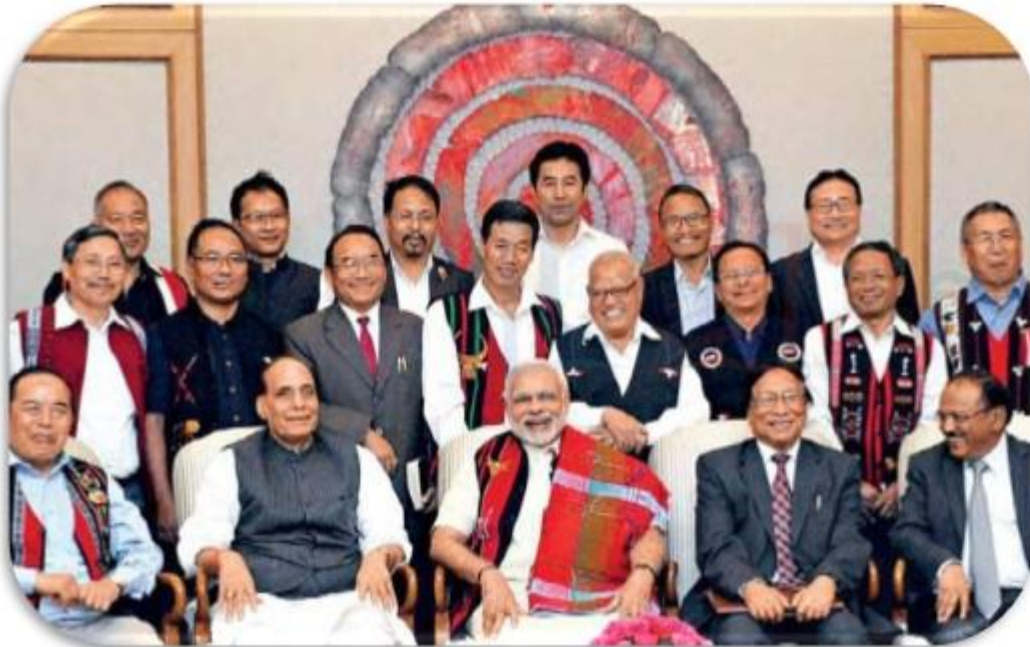

3 A 16-point Agreement followed in July 1960, leading to the creation of Nagaland on December 1, 1963.

4 In this case also, the agreement was with the Naga People's Convention, that moderate Nagas formed in August 1957, and not with the NNC.

5 In April 1964, a Peace Mission was formed for an agreement on suspension of operations with the NNC, but it was abandoned in 1967 after six rounds of talks.

NORTH-EAST INSURGENCY

WHAT ABOUT SHILLONG ACCORD OF NOVEMBER 11, 1975?

***A Framework Agreement was signed
in 2015 and the details are not clear!***

- 1** Under Shillong Accord, a section of NNC and NFG agreed to give up arms.
- 2** A group of 140 members led by Mr. Muivah, who was in China then, refused to accept the Shillong Accord and formed the NSCN in 1980.
- 3** The outfit split in 1988 with one faction led by Mr. Muivah the other one led by Myanmar-based Khaplang.

NORTH-EAST INSURGENCY

WHAT DID THE NSCN (IM) WANT?

A “Greater Nagalim” comprising “all contiguous Naga-inhabited areas”, along with Nagaland. That included several districts of Assam, Arunachal and Manipur, as also a large tract of Myanmar.

HOW HAVE MANIPUR, ASSAM AND ARUNACHAL PRADESH REACTED?

Leaders cutting across party lines have preferred to wait and watch. Nobody in these three states would allow even an inch of their land to be added to a ‘Greater Nagalim’, if at all that term is part of the accord.

NORTH-EAST INSURGENCY

THE ISSUE OF REGISTER OF INDIGENOUS INHABITANTS OF NAGALAND (RIIN)

- 1** Nagaland decided to start a variant of the National Register of Citizens.
- 2** Nagaland issued a notification for the setting up of the Register of Indigenous Inhabitants of Nagaland.
- 3** It is aimed at preparing a master list of all indigenous people and checking the issuance of fake indigenous inhabitant certificates.

NORTH-EAST INSURGENCY

THE ISSUE OF REGISTER OF INDIGENOUS INHABITANTS OF NAGALAND (RIIN)

- 4** The RIIN list will be based on “an extensive survey”. It will involve official records of indigenous residents from rural and urban wards and would be prepared under the supervision of the district administration.

- 5** It should be communicated to the Village Council Chairmen, Village Development Board Secretaries, Tribal Hohos, Church Authorities etc.
- 6** Hoho is the Apex Body of the each Naga Group.
- 7** No fresh Indigenous Inhabitant Certificate will be issued after the RIIN is completed, except for children born to the State’s Indigenous Inhabitants.

RIIN should not become a vehicle to determine outsiders / insiders. It is expected to deepen the existing fault-lines.

NORTH-EAST INSURGENCY

STATE WISE STATUS OF INSURGENCY

MANIPUR

Kuki: Along with Nagas, the Kukis share the hill district of Manipur, with whom they are perpetually in conflict. They are spread throughout the NE India, Northwest Burma and Chittagong Hill Tracts in Bangladesh.

PEOPLE OF MANIPUR

Nagas:

- They are the tribes of the hill districts
- A part of eastern side of Manipur is called as the “Naga zone” and forms a part of “Nagalim” – Greater Nagaland, that Nagas lay claim to.

Meitei:

- Form about 60% of the total population
- Hindu tribes following Vaishnava tradition
- Some of them are Muslims and Christians as well

STATE WISE STATUS OF INSURGENCY

ISSUES OF MANIPUR

- 1 There are more militant groups in the state than anywhere else leading to greater violence.

- 2 The Kuki insurgent groups want a separate state for themselves
- 3 The situation is further complicated because, insurgent groups are not united for the same cause.
E.g.: the Nagas want the creation of Nagalim.
- 4 Issue of human rights violations by security forces under AFSPA
- 5 Issue of Inner Line Permit

NORTH-EAST INSURGENCY

INNER LINE PERMIT CONTROVERSY IN MANIPUR

WHAT IS THE INNER LINE PERMIT?

- 1 The Inner Line Permit (ILP) is an official travel document to grant inward travel of an Indian citizen into a protected area for a limited period.

- 2 It is obligatory for Indians residing outside those states to obtain permission prior to entering the protected areas.
- 3 Currently, the Inner Line Permit is operational in Arunachal Pradesh, Mizoram, Nagaland and Manipur.
- 4 ILP's origin dates back to the Bengal Eastern Frontier Regulations, 1873, which protected the British Crown's interest in tea, oil and elephant trade.
- 5 It continues now as a mechanism to firewall the tribal peoples and their cultures from onslaughts by outsiders.

INNER LINE PERMIT

NORTH-EAST INSURGENCY

INNER LINE PERMIT CONTROVERSY IN MANIPUR

DETAILS OF ILP

- An ILP is issued by the state government concerned.
- It can be obtained after applying either online or physically.
- It states the dates of travel and also specifies the particular areas in the state which the ILP holder can travel to.

WHO IS PROTESTING?

- Among the three major communities of Manipur — Meitei, Kuki, Naga — the ILP system has been demanded mostly by the Meiteis.
- The apprehension has recently been heightened by the fact that some within the Meitei community have called the Kukis 'foreigners'.
- Though the Kukis are an indigenous group in Manipur, there are some who fear that the Meiteis could use the ILP to advance their stand of Kukis being foreigners.
- This seems to be an important reason why many within the Kuki community do not support the ILP or the Meiteis' demand for tribal status.

NORTH-EAST INSURGENCY

KUKI – NAGA MILITANTS SIGN PACT

Naga National Political Groups (NNPGs) and Kuki National Organisation (KNO) have signed a joint declaration to keep aside the differences and work together.

1. IDENTITY CONFLICT

- This has become the core subject of ethnic realignment and regrouping.
- Various tribes such as Anal, Chiru etc. who once designated as Kuki tribe, have now assimilated with the Naga tribe.

2. LAND ISSUE

- Conflict between them broke out in the border town of Moreh leading to retaliation and counter retaliation in southern parts of Manipur.
- This conflict was primarily over land which the Kukis claim as their homeland in Manipur.
- However, this overlapped with Nagalim region which was claimed by Naga tribes.

NORTH-EAST INSURGENCY

ARUNACHAL PRADESH

1 The only case of indigenous insurgency movement in Arunachal Pradesh was the rise of the Arunachal Dragon Force (ADF), which was rechristened as East India Liberation Front (EALF) in 2001.

2 The outfit remained active in the Lohit district, before being neutralised by the state police forces.

3 A variety of factors including its geographical contiguity with Myanmar and ethnic similarities among the residents in some of Arunachal Pradesh's districts with the locals in Nagaland has been the reasons why insurgent outfits from Assam and Nagaland have exploited the State for their activities.

4 Traditionally, the south-western districts of Tirap and Changlang, in the proximity of Nagaland, have been a happy hunting ground for both the factions of the National Socialist Council of Nagaland (NSCN).

NORTH-EAST INSURGENCY

ARUNACHAL PRADESH

IMPACT OF INSURGENCY:

- Every Government employee and businessman in Tirap is forced to pay nearly twenty-five per cent of his gross income as a tax for the Republic of Nagalim .
- In the districts of Tirap and Changalang, branches of the State Bank of India have been shut down after they were served with extortion notes by the NSCN-K.
- In 2001, the operations of the Oil India Limited in Changlang district were brought to a halt after the NSCN-IM demanded an amount of Rs. 60 lakhs.
