SOME DIGITAL INDIA INITIATIVES

NATIONAL SCHOLARSHIP PORTAL (NSP)

ABOUT

- 1 NSP is a one-stop solution for end-to-end scholarship process right from the submission of student application, verification, sanction and disbursal to end beneficiary for all the scholarships provided by the Government of India.
- 2 This initiative aims at providing a Simplified, Mission-oriented, Accountable, Responsive & Transparent 'SMART' System for faster & effective disposal of Scholarships applications and delivery of funds directly into beneficiaries account without any leakages.

The screenshot shows the login interface for the National Scholarship Portal. At the top, it says 'National Scholarship Portal' and 'Ministry Of Electronics & Information Technology, Government of India'. Below this is a red navigation bar with a 'Home' link. The main content area has a red header for 'Login for School / Institute' with a note: 'User Id and Password are same as last year User Id and Password'. The login form includes a dropdown for 'Select Academic Year', input fields for 'User Id' and 'Password', and a 'Capcha' field with a refresh button. A red 'Login' button is at the bottom. Below the button is a link for 'School / Institute Forgot Password?'. At the very bottom, a small note states: 'Those Institutes which not have Login Credentials can contact District / State Nodal Officers for Login Credentials'.

SOME DIGITAL INDIA INITIATIVES
